SYNOPSIS

Sage and Anthony have had the “Best Summer Ever” after falling in love at a dance camp in Vermont. Not expecting to see each other again until the following summer, Sage, by a twist of fate, arrives unexpectedly at the same high school as Anthony. Now faced with the drama of high school cliques, an evil cheerleader, and the illegal secret that keeps Sage's family on the move, they are forced to reevaluate their relationship as Tony struggles to be both the high school football star and the dancer he has always wanted to be.
